†Three (3) year/200,000km warranty offer and 3 year/200,000km Roadside Assistance both apply to all new or demonstrator MASTER Bus models. Warranty & Roadside Assistance valid for 3 years or 200,000km (whichever comes first) from new. Demonstrator vehicles receive balance of new vehicle warranty and Roadside Assistance. Roadside Assistance terms and conditions apply. Call our Customer Service Team on 1800 009 008 or view the Terms and Conditions statement at www.renault.com.au/drivingpeaceofmind for details. ^First 3 scheduled maintenance services capped at \$349 per service on new and demonstrator Master Bus models, based on standard scheduled servicing from new and on normal operating conditions. Scheduled maintenance services required every twelve (12) months or up to 30,000km (whichever occurs first). However, Master Bus is subject to adaptive servicing requirements, as determined by the Oil Condition Sensor, and may require servicing prior to the standard twelve (12) months or 30,000km service interval. If vehicle is not presented within three (3) months of when the scheduled service is required, right to that capped-price service under the program is forfeited. ++Bluetooth® compatibility may vary depending on phone.
